

MALAYSIA BREASTFEEDING POLICY

All mothers are encouraged to breastfeed their babies exclusively with breast milk from birth until six (6) months, and continue to breastfeed until two (2) years of age. Complementary foods should be introduced when baby is six (6) months of age.

THEREFORE, FROM BIRTH UNTIL SIX (6) MONTHS OF AGE, BABIES:

Are exclusively breastfed

Do not need additional water or milk

Do not need complementary foods

POLISI PENYUSUAN SUSU IBU MALAYSIA

Semua ibu digalakkan menyusu anaknya dengan susu ibu sahaja dari lahir hingga berumur enam bulan dan meneruskannya sehingga mencapai umur dua tahun. Makanan pelengkap perlu diberikan mulai umur enam bulan.

INI BERMAKNA DARI LAHIR HINGGA BERUMUR 6 BULAN BAYI:

Diberi susu ibu sahaja

Tidak perlu air atau susu tambahan

Tidak perlu makanan pelengkap
